

5th ASIAN Pipeline Conference & Exhibition

THE 2009 ASIAN PIPELINE EXHIBITION

The 5th Asian Pipeline Conference and Exhibition (APCE 09) will be held from 28-29 October 2009 at Sutera Harbour Resort, Kota Kinabalu, Sabah, Malaysia. The primary purpose of the 2009 Exhibition is to demonstrate new and emerging technology in the pipeline industry.

The exhibition is located in a strategic area close to the conference room where it will generate excellent interaction between delegates, visitors and exhibitors. This is an opportunity for pipeline oriented exhibitors to showcase their companies and products to a wide range of pipeline industry leaders and professionals from the ASEAN region.

TERMS AND CONDITIONS

Exhibition:

- ◆ No display material, equipment or information may exceed the limits of the rented space.
- ◆ No exhibitor may bring in an external contractor without first obtaining the permission from the organizer.
